(MB 28/1) 16) Mr M Sivamanathan was appointed as acdtt in the year 1937 as such in the Head Wee, Bldgs, pld on Rs 40 on the grade Rs 25-1-30-40 with effect from 1 7 38

17) He was then appointed as acting Deputy Accountant on Rs 40-2-60 & was given the maximum of Rs 50/- in that grade from 19 8 1938 i.e. with two years after he had got Rs 40/- the maximum in the previous grade

18) On further recommendation he was given the grade of Rs 50-2-60 & confirmed as Casual clerk on Rs 60+5 D A with effect from 19 2 41

19) It will be seen from the above facts that he has been allowed increments of pay sometimes, whereas he would have otherwise taken years to reach He is now drawing a pay of Rs 60+5 D A as casual clerk Please

WD 0726—GPB—50 000—1-9-44

) The present proposal is that his services were requisitioned by the Civil Supplies Dept, & that the proposal was not agreed to as he is very suitable for that work and that, as he would have been benefited by going to the Civil Supplies Dept, he may be compensated for it by being given a personal allowance of Rs 20/-

21) It is seen in this case that he has been in the Mfg for over nine years according to standing orders those who have put in more than five years service in a local body should be transferred either to another local Body or the new Dept & it has not been done in this case.

He has not suffered by his being in the Mfg, as he is getting fair wages by reaching a pay of Rs 60/- P-M more than what his Compeers got in the new Dept.

22) He has not also passed the Lab Exam which he should have done by this time & any further promotions should be made in contravention of his passing the examination

23) Another question of principle is involved in this case & case it is proposed to transfer the services of the Head of a particular Dept to another Dept when the latter asks for it, should the officer be compensated for what may be considered loss of status & should his good will be

retained by Govt. a higher pay or a personal allce to make up what is considered a loss? It would be difficult to concede such requests as there may be a crop of such cases In fact, a similar recommendation has been made in respect of the Lower Subordinate staff for posts up to Rs 100 p.m. It seems that the Govt cannot claim any such concession, as the retention of his services in the same capacity is considered necessary. This is a point for orders

24) Further, formal proposals have been made for the revision of the scale of pay of the establishment of the Zonal Centres of the Directorate of Weights & Measures (Rs 11000/- attached) wherein it is proposed to revise the scale of pay of the Clerical class from Rs 60-4-80 & if this is sanctioned, the Government may have the benefit of the revised grade of pay proposed to be started in the Dte of Mines

25) Having regard to the above facts, it is for orders of the proposal to grant a p a of Rs 20 p.m to the Accountant may be sanctioned

I agree with the above note that he would have got more if he had been allowed P the Local Supply Depot. is no consideration for giving him an allowance & it would be creating an inconvenient precedent
